- On election night, only call 608-339-4556; do not leave messages on answering machine. It may seem to take longer, but remember, we are waiting for 20 municipalities to call. All of us here in the office appreciate your patience.
- Remember that non-registered write-ins and scatterings are the same thing. You are required to write them on your tally sheets. If there are no scatterings, write 0 in the total column.
- Make sure all required information is on provisional log.
- Fax your list of outstanding provisionals to 608-339-4514 on the night of election.
